HIGHLIGHTING NOTEWORTHY AND INTERESTING HAPPENINGS IN 5NR

TOPSIDE Lite is a new periodical that highlights the members and activities of District 5NR. Published in a "e-Magazine" format, *TOPSIDE Lite* is designed to quickly provide members information between regular issues of *TOPSIDE*, the official magazine of 5NR.

Each issue of *TOPSIDE Lite* will only be comprised of one or two pages and only distributed via email and download from the 5NR website. Flotillas can print out and mail copies to their members who do not have email.

Articles can be submitted by anyone. The theme of *TOPSIDE Lite* is to feature 5NR Auxiliarists rather than the Auxiliary itself. Detailed organization and program information will be provided in issues of *TOPSIDE*. For an article to be considered for publication, it must contain some universal interest for all to read. Articles normally published are about purely local interest, such as a flotilla activities and division events.

The preferred format for photos is .jpg (.jpeg) format. (We prefer lower resolution). Regarding photo content, try and avoid the overused "member receiving a plaque" and "say cheese" photos.

A caption or short article is preferred for this type of newsletter.
